

BATS

SUPERHEROES OF THE NIGHT

ENJOY THE SNEAK PEEK THIS MONTH AT THE PARKER-ASTIN!

**FULL EXHIBIT OCTOBER 9TH THROUGH DECEMBER 18TH
JAMES R. REYNOLDS GALLERY
MEMORIAL STUDENT CENTER TEXAS A&M UNIVERSITY.**

Superheroes of the Night exhibition bridges multiple academic disciplines and engages students, faculty, community members, and artists from across Texas A&M University and beyond. Visitors will experience an immersive and accessible exploration of bats through natural history specimens, large-format photography, pop-culture-inspired artwork, 3D skeletal models, and research-based narratives. Together, these elements will illuminate both the cultural fascination and scientific significance of bats—from comic-book heroes to ecological superheroes.
